

Ransom Everglades Athletic Hall of Fame Criteria

This Year and Past Winners

Each year, the Athletic Hall of Fame committee will receive nominations and elect a new group of inductees into the school's Athletic Hall of Fame. Nominations are welcomed for alumni and coaches from Ransom Everglades School and the predecessor schools (The Adirondack-Florida School, Ransom School, and Everglades School for Girls).

Nominations are solicited from all members of the Ransom Everglades School community via the nomination form found in The Alumni Log and the School's website. Installation will take place each year on the Upper School campus during Spring Reunion weekend. The celebration includes a dinner honoring each inductee on Thursday night. All current students, current families, alumni and their families and friends are always encouraged to join the celebrations.

The Athletic Hall of Fame Selection Committee:

The committee is comprised of the President of the Alumni Association or the President's appointed representative who will serve as the Chair, the Head of School, the Director of Alumni Relations and the Athletic Director, who will serve as an ex-officio member of the committee. Together, the President of the Alumni Association and the Director of Alumni Relations will appoint two alumni and a senior faculty member to complete the committee. Appointees will be asked to serve a two-year term.

Nomination Procedures:

Nomination forms will be periodically printed in The Alumni Log and are available on the School's website. Nominators must complete the Nomination Form in full. Incomplete nomination forms will not be submitted to the Selection Committee. All nominations are kept on file for five years. There is no need to submit the same nominee each year.

Criteria for Selection:

- Eligibility for induction begins five years after a nominee graduates from Ransom Everglades School or a predecessor school (The Adirondack-Florida School, Ransom School, and Everglades School for Girls).
- Alumni/ae athlete nominees' athletic accomplishments must represent the highest caliber of achievement of his/her time.
- All sports shall be considered on an equal basis.
- Selection will be based substantially upon athletic accomplishments while at Ransom Everglades School or a predecessor School. Subsequent achievements in athletics and other areas will also be taken into consideration.
- Posthumous nominees will be given equal consideration with living candidates.
- Coaches, other members of our school community and athletes with extraordinary cases may be nominated. (Extraordinary cases include premature termination of an athletic career due to injury or situation wherein an athlete's accomplishments, after graduation, brings great credit and recognition to Ransom Everglades School.)

Nominations forms must be received no later than January 31 of the year to be considered. Any forms received after this date will be considered for the following year's awards.
